National Institute of Technology, Rourkela, formerly Regional Engineering College, Rourkela, is a publicly funded institute of higher learning for engineering, science and technology. This premier institute is located in the "steel city" of Rourkela in the state of Odisha. It counts one amongst the thirty-one National Institutes of Technology in India and has been recognized as an Institute of National Importance by the National Institutes of Technology Act, 2007. What is more, the august seat of learning was ranked sixteenth in the NIRF Rankings 2020 amongst all Indian engineering universities.

Altius Sports is into design, construction, supply, installation and maintenance of all sports surfaces. Our product range is exhaustive and caters to both indoor and outdoor sports. Be it hockey or

football, tennis or cricket, athletics or badminton, rugby or volleyball – we have it all, and more. Our sports surfaces are made from the finest raw materials developed over decades of rigorous R&D and meet the challenge as demanded by the sport as well as the athlete. Safety, durability and playability are the prime attributes of all our products.

Altius Sports has an in-house team of personnel specifically trained in design, construction & installation – who are updated with the latest in tools and technology to efficiently carry out their jobs. Our offices are spread pan-India and hence, we are always at hand to reach out whatever your requirement.

So next time when you think sport, think Altius Sports. After all, we are here exclusively for our love of the sport.
