

SNBP International School

Pune

Full design, build, construct & install of an FIH National Certified hockey Field

Date of Project Completion : November 2019

Base Construction : Dynamic (crushed rock)

Surface : TigerTurf Trophy on Roll-out shock pad

The Subhadra's Nursery Bhosale Public (SNBP) International School in Pune is known to be one of the most trusted and best schools in Pune for a reason. With a state-of-the-art infrastructure along with the right blend of education, extracurricular activities and unmatched features, this international school in Pune is the ultimate choice of many parents. And of course, their TigerTurf hockey pitch!

Altius Sports has been conferred FIH Certified Field Builder status – which means that we specialise in building hockey fields. We have a proven ability to construct fields to the standards the game requires as per FIH (Fédération Internationale de Hockey) norms. Our in-house civil engineering expertise ensures the design and construction of hockey fields and we have a robust quality management system ensuring consistency in work along with a comprehensive maintenance service to our customers.

TigerTurf is not only an FIH Preferred Supplier, but is also the Official Supplier to Hockey Australia. TigerTurf was the preferred surface for the Youth Olympic Games at Buenos Aires, Argentina, in 2018 and is also the preferred surface for the Commonwealth Games at Birmingham, U.K., in 2022.

TigerTurf Trophy, a texturized monofilament, 100% polyethylene and non-directional yarn, manufactured at our New Zealand plant and perhaps, the best in category in terms of an FIH National surface field world-wide, was installed on a roll out shock pad, manufactured in Germany. The base was constructed using aggregate and as per FIH norms and despite the unforeseen rains, a top-class product was delivered that met the rigorous field testing of an FIH certified laboratory to be conferred an FIH National Category field status.

Here's to the love of the sport from all of us at Altius Sports!
