Inaugurated by the ex-deputy chief minister of Jharkhand, Mr Sudesh Mahto, this amazing facility, located on the 7th floor of one of the most prominent malls in Ranchi, is a one-of-its kind play arena in the city.

This venue which has a futsal field along with a cricket wicket in the middle and also a stand-alone cricketing facility complete with bowling machines, was the brain-child of 2 former cricketers, Mr Arko Biswas and Mr Sidhu. Naturally, the client was quality driven and the answer to the sporting surface was only TigerTurf by Altius Sports.

TigerTurf's Premier is a high-grade synthetic turf that offers a true and consistent ball bounce for players of all levels. The surface is

extremely hard wearing and ensures optimum pace and ball bounce equally for both outdoor and indoor facilities. The Premier turf can be played on 24 hours a day, 7 days a week, dependent on fair, basic maintenance.

TigerTurf's Championship 40 combines the benefits of incredible wear resistance with a natural looking appearance. This outstanding playability and extreme resilience means it will play well and look great for years to come.

Altius Sports provides a turnkey solution for almost all sporting needs from design to installation, civil works and lighting, including maintenance and even the running of the facility. We simply call it the love of the sport.
