Oscar Foundation is a football for development non-profit dedicated to empowering children and youth in low-income communities in India. Oscar Foundation uses football as a tool to deliver education and life skills sessions enabling children and youth to become role models in their community. Over the last 9 years, more than 12,000+ children and youth in India have joined Oscar Foundation's Football, Education, and Young Leaders' Programme. Oscar Foundation is headquartered in Mumbai and has reached out to children in Mumbai, Delhi, Karnataka, Andhra Pradesh, and Jharkhand. Oscar foundation is the official NGO partner for Manchester City FC.

With the rainy season extended, Altius Sports had to keep ahead of the season to ensure that the ground was completed in time for the inauguration by a host of dignitaries, including the founders, who were coming in from overseas. Work happened day and night and this world-class sport construction was inaugurated by officials from Street Football World, Germany and Generation Amazing Organisation, Qatar along with the

local Corporator from Colaba, Mumbai.

Atomic Pro uses yarn technology to provide the ultimate combination of advanced performance and durability. The fibre has been developed keeping in mind the many fields exposed to constant wear. Its ribbed surface diamond shape makes for the most advanced ultra-durable, grass fibre within its respective market segment with resilience, increased comfort and safety as prime attributes.

The Atomic Pro series are not just certified for FIFA Quality & FIFA Quality Pro, but also as FIH Multisport. With its rigorous testing by certified laboratories under the most stringent of conditions, this product is brilliant for both the player and the owner of the facility. A 100% polyethylene monofilament with excellent mechanical tuft lock, Atomic Pro is indeed a great product.

Nothing pleases us more than giving back to the community and seeing the smiles on the faces of children. After all, we are all here for the love of the sport.
