

The Presidency School

Bengaluru

Acrylic surface for Basketball, Tennis & Roller-skating rink

Date of project completion: December, 2023

Surface: Acrylic Advantage System

Base construction: Concrete

The Presidency School, Bengaluru is part of the prestigious Presidency Group of Institutions (PGI), which was established in the year 1976. The directors and the faculty members of the presidency group of schools believe that excellence is not limited to only academics but also about inculcating values that prepare your child to lead a meaningful life.

The Presidency School gives equal attention to sports and physical development of their students along with the studies. The major sports in the school are athletics, swimming, soccer, basketball, skating, table tennis, badminton and various other indoor sports.

We installed our Australian-made acrylic system for their basketball, tennis and roller skating rink. This revolutionary and highly durable surface provides unmatched force reduction technology, is UV-stable, all-weather resistant and an energy-efficient court.

Our in-house engineers, installers and design team has the correct surface for all your sporting needs – be it basketball, tennis, athletics, football, cricket or hockey and many, many more. Here's to our love of the sport!
