

Bhartiya Reserve Bank Note Mudran Pvt Ltd

Salboni, West Bengal

A complete project for indoor wooden badminton courts.

Project completion: January, 2023

Base: Plain cement concrete

Surface: BWF certified 4.5 mm Vinyl flooring with a class 1 wooden flooring underneath

Bhartiya Reserve Bank Note Mudran Pvt Ltd was founded by the Reserve Bank of India as its wholly owned subsidiary on 3rd February, 1995. The purpose of the establishment of BRBNMPL was the production of bank notes in India to enable the RBI to bridge the gap between the supply and demand for bank notes in the country. BRBNMPL manages 2 presses - one at Mysore, Karnataka and the other at Salboni, West Bengal. The present capacity for both presses is 16 billion note pieces per year on a 2-shift basis.

Out of these two presses, Salboni press is situated in Salboni township where the government has built quarters for the press workers and RBI employees, amongst others, where they can live with their families. Many facilities have been provided for the families such as schools, markets, movie halls, a stadium and play areas. Altius Sports has done two wooden-vinyl indoor badminton courts in this BRBNMPL's Salboni township area, accessible to BRBNMPL's employees and their family members only. Here we have installed BWF-certified wooden flooring on a concrete base with a 4.5 mm vinyl surface.

BWF Certified Vinyl flooring systems by Altius Sports meets the specifications that conform to player safety, performance and surface durability. It utilizes a 100% recyclable and virgin material that is FloorScore® Certified - which basically helps maintain a healthy indoor air quality, imperative in today's world. The wooden flooring is made by 1st class teak wood and treated with special anti-termite and water-resistant lacquer.

Another unique project delivered by Altius Sports.
