

# Doon International School

Dehradun, Uttarakhand

**A complete project for indoor badminton courts in an International school.**

**Year of project completion:** 2020

**Base:** Concrete

**Surface:** BWF certified 4.5 mm vinyl flooring

Doon International School offers a comprehensive, affordable and nurturing education to students. It provides a complete academic curriculum, state-of-the-art infrastructure and world-class facilities. The school offers countless sporting activities for its students along with the best of coaches for their all-round development.

Mrs. M.K. Maan, the director of Doon International School, believes that the school offers an educational experience like no other, providing students with the qualifications and confidence needed to play a leading role in tomorrow's society. The school constantly endeavors to provide a learning environment where students have numerous opportunities to excel and distinguish themselves in academics, as well as a range of co-curricular and extracurricular activities.

While the school offers various sports facilities to its students, badminton is particularly significant, with many students excelling in badminton tournaments at the state and national levels.

Altius Sports has installed BWF Certified 4.5 mm vinyl flooring systems for four indoor badminton courts at the school. These flooring systems conform to player safety, performance and surface durability standards. The flooring utilizes 100% recyclable and virgin material that is FloorScore® Certified, helping maintain a healthy indoor air quality, which is imperative in today's world.

Another unique project delivered by Altius Sports.
