

Express Avenue

Chennai

A complete turnkey solution for pickleball, futsal & cricket

Date of project completion: January, 2024

Surface: Australian made acrylic surface for pickleball, New Zealand made TigerTurf for futsal & box cricket

Base construction: Concrete

Express Avenue is one of the largest and most exclusive shopping malls in Chennai and they decided to “up their game” with a pickleball and a futsal-cum-cricket play arena. This state-of-the-art facility boasts three top-notch pickleball courts, apart from futsal and the entire project was seamlessly executed by the passionate team at Altius Sports.

Named Ice Water, this is not merely a sports facility but is also a hub for the community to come together, play and witness thrilling matches. Express Avenue Mall, now home to this exceptional sports complex, heralds a new era of sports and entertainment, solidifying Chennai's status as a vibrant hub for athletic prowess and community engagement.

The 3 pickleball courts, using ITF-certified, Australian-made acrylic systems from the Official Suppliers to the U.S. Open, is a sporting surface unto itself. The surface is highly durable, UV stable and an energy-efficient court that helps players play with confidence.

In keeping with suggestions from the management, to give the area a manicured, green and natural look, even the divider walls of the pickleball courts have been dressed using TigerTurf landscape turf – giving these dividers the appearance of a naturally, always-manicured hedge.

The futsal-cum-cricket arena uses our patented TigerTurf XP Pro yarn that comes with unlimited yarn durability warranty and with TigerCool technology – play 24x7, 365 days a year and yet not feel the heat.

Inaugurated on 21st January, 2024, in the presence of a bevy of film personalities of the Tamil Film industry, other dignitaries and sports lover and in the august presence of Mrs Kavita Singhania, Managing Director Express Infrastructure Pvt Ltd, this marvellous sports facility is indeed a bespoke one.
