

Ballygunge Arena

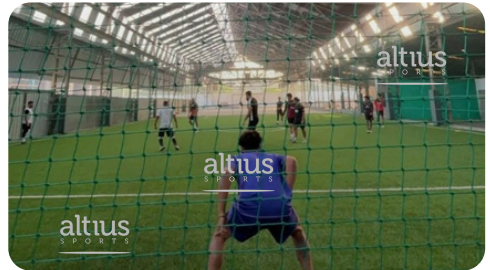

Kolkata

Supply and installation of football turf for a pay n play facility up in Kolkata.

Year of project completion: December, 2024

Base: Plain cement concrete

Surface: TigerTurf Championship 50 (futsal), TigerTurf Premier (cricket)

Ballygunge Arena is a popular Pay & Play venue located in South Kolkata. The arena features a futsal-cum-box cricket facility along with three pickleball courts. In addition to offering sports facilities, the venue also conducts coaching programs for football, cricket and pickleball. It is available for bookings for corporate events, fitness activities, birthday parties, and more.

At this venue, we have installed TigerTurf Championship 50 and TigerTurf Premier. The Championship 50 football turf is known for its excellent wear resistance and natural appearance. Designed for high-usage pitches, it offers world-class performance with outstanding playability and extreme resilience. The improved fibre structure, featuring a patented rhomboid shape, helps the fibres stay upright, ensuring consistent playing performance. This all-weather surface is accredited with both FIFA Quality and FIFA Quality Pro certifications. It is safe, soft and reliable — ideal for athletes at all levels, including elite players.

The cricket pitch in the center is Premier, a specialized surface suited for various playing conditions — match play, practice nets and indoor training. It delivers realistic turn and bounce, allowing for year-round use. A key advantage of TigerTurf's cricket surface is its durability and suitability for players of all skill levels. The outfield supports both cricket and football, allowing a cricket ball to race to the boundary while maintaining the optimal speed required for football — perfectly balancing both sports.

If you're looking for a complete sports infrastructure solution, Altius Sports is your trusted partner. From design to manufacture, construction to installation, we have it all.

Here's to the love of the sport.
