

Orchid Pickleball

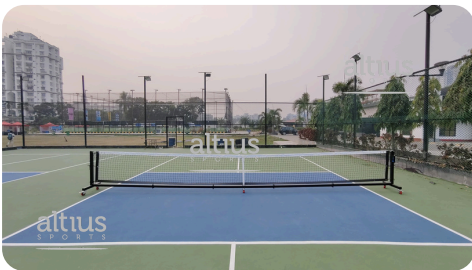

Kolkata

Supply and installation of Australian-made acrylic surface for pickleball courts

Year of project completion: January, 2025

Base: Asphalt

Surface: ITF Certified acrylic surface
from the Official Suppliers to
the U.S. Open

Orchid Arena, strategically located behind Science City, Kolkata and right next to the iconic Atmosphere ultra-luxury residential complex as well as the ITC Royal Bengal and JW Marriott hotels, stands as one of the most accessible and preferred sports venues in Kolkata. As an integral part of the Calcutta Boating Club, which is managed by Md. Kamran Ahmed, the arena not only caters to sports enthusiasts but is also a sought-after venue for hosting weddings and reception ceremonies. Over the years, it has gained immense popularity as Kolkata's leading 'Play and Play' destination, witnessing the highest footfall of sports lovers in the city.

Our association with Orchid Arena began in 2020 when we successfully installed their first futsal field using TigerTurf. The quality of our work and the precision with which the project was executed left the client highly impressed. This led to a continued partnership, and in the very next year, they entrusted us again to install a box cricket setup. By 2025, as the global sports industry witnessed a surge in pickleball's popularity, Orchid Arena recognized the growing demand for the sport.

Given their past positive experiences with us, they naturally turned to their trusted sports partner, Altius Sports, to develop two state-of-the-art pickleball courts.

Our team executed this project with precision, installing two high-quality pickleball courts on an asphalt base. To ensure superior and unique playing conditions, we used our ITF-certified, Australian-made acrylic systems. These courts are not only highly durable and UV stable, but they also offer an energy-efficient Playing experience, enabling athletes to perform with confidence and comfort.

This newly installed pickleball facility has significantly enhanced player satisfaction, attracting more enthusiasts to the venue. Furthermore, the addition of pickleball courts has led to a substantial increase in revenue, reinforcing Orchid Arena's position as a top-tier multi-sport destination in Kolkata. Through this project, we have once again reaffirmed our commitment to delivering world-class sports infrastructure and contributing to the evolution of sports facilities in India.
